WHY LEGS LIKE MINE FOOTWEAR?

Women with lipedema and lymphedema can have larger ankles, deeper and wider foot joints, and swelling that changes through the day.

Until now, there has been NO Conventional SHOE or Ultra-Wide Boot made just for us!

Designed by innovative, experienced footwear designers and orthopedic technicians with unique features just for us!

WOMEN WITH LIPEDEMA AND LYMPHEDEMA REPRESENT MORE THAN ELEVEN PERCENT OF WOMEN.

WE NEED AND DESERVE GREAT AND FASHIONABLE SHOES!

"I couldn't find a single brand of boot to fit my lipo-lymphedema calves, so I made one!"
~Susan O'Hara, LegsLikeMine~
